Memorandum of Understanding - Mid-Management Unit

1. The wage rates for all Employee classifications covered herein shall be as shown in the Salary Tables identified as: “[Represented & Department Heads](#) and [Peace Officer & Related Classifications](#)”.
2. Shift differential pay, longevity pay, assignment pay, and all other incentives required to be paid under this MOU, will be separately calculated based solely on the Employee's base rate of pay, identified in the Represented & Department Heads and Peace Officer & Related Classifications.

B. Payroll

C. Direct Deposit

The County shall provide Employees the option of automatic deposit of their pay to certain financial institutions.

D. Pay Card

Pay Cards shall be authorized to those Employees who do not wish to have their pay electronically submitted via direct deposit to a financial institution.

ARTICLE 4.2 – SPECIFIED WAGE ADJUSTMENTS

A. Appointment to a Position in a Class with a Higher Rate of Pay

Employees appointed to a position of higher salary range than previously held as a result of promotion, position reclassification, or temporary assignment to work out of class shall be paid at the nearest higher salary in the new range which will provide at least a five percent (5%) increase, except that no increase shall exceed the “E” step of the new range. Salary increases pursuant to this Section shall be effective on the date of appointment, and in the case of a promotion or reclassification, a new anniversary date shall be established.

B. Temporary Assignment Pay

When it has been determined an Employee must perform duties of a higher level of responsibility due to an extended vacancy or absence of a superior in a higher classification, the County shall consider additional compensation for the added responsibilities.

C. Bilingual Pay

Bilingual Pay shall be paid at the rate of sixty-five dollars (\$65) per pay period.

Employees with bilingual skills may be eligible for bilingual pay for the use of a second language as requested by the department head. The Department of Human Resources shall schedule the employee for a proficiency examination after the request is received. Employees who are deemed proficient in the second language, will qualify for the bilingual pay. Part-time employees’ bilingual pay shall be prorated. The effective date of the bilingual pay will be the pay period following the proficiency determination.

Employees who do not pass the proficiency examination must wait six (6) months to request to be retested. The decision of the Director of Human Resources to approve or remove bilingual pay shall be final and not subject to the grievance procedures.

Employees who move to another position that does not require the use of the second language shall have the bilingual pay removed.

Employees who receive bilingual pay and are absent without pay for more than eighty-eight (88) hours during a pay period, will not be eligible to receive the bilingual pay for that pay period.

D. Incentive Pay for Employees in the Departments of Behavioral Health Services’ (BHS) & Social Services’ (DSS) Regularly Assigned in Oakhurst

Due to the current turnover rate and staffing needs within the Oakhurst facility, the County will compensate BHS & DSS Employees within the Mid-Management Unit who are regularly assigned to work in Oakhurst with a five percent (5%) incentive pay. The five percent (5%) incentive pay will be paid to Employees beginning the month after ratification of the successor MOU until thirty (30) days following the conclusion of the Classification and Compensation Study. The incentive pay will be calculated from the Employee’s base rate of pay.

Memorandum of Understanding - Mid-Management Unit

The parties shall meet at the conclusion of the Classification and Compensation Study to discuss the continuation of the incentive pay. Following the meeting, the County will make the determination of whether there is a continued need for the Incentive Pay. The County's determination shall be final.

E. Public Information Team (PIT) Incentive Pay

Effective November 1, 2017, incentive pay in the amount of three percent (3%) shall be granted to any unit employee who is assigned by their department head to perform duties related to the Madera County Public Information Team, as approved by the Board of Supervisors on October 24, 2017.

The employee assigned to perform duties related to the Madera County Public Information Team is also required to maintain the content of the department's website. The three percent (3%) incentive pay also compensates the employee for these duties.

The three percent (3%) incentive pay is not defined as Special Compensation pursuant to the provisions of the California Public Employees Retirement System (CalPERS). As a result, the incentive is not subject to the County's or the assigned employee's retirement contribution rate and will not be included as part of final compensation for retirement purposes.

Should the three percent (3%) incentive pay become defined as Special Compensation, the County will begin the appropriate reporting to CalPERS, and the incentive pay will be subject to the County's and the assigned employee's retirement contribution rate each pay period.

The department head reserves the right to assign an employee to perform duties related to the Madera County Public Information Team and to maintain the department's website based on employee skill set, performance and/or operational need; therefore, the duties associated with the three percent (3%) incentive pay can be reassigned to other employees, who may be represented by a different bargaining unit.

1. Development Services Engineer
2. Supervising Civil Engineer

The County agrees to reimburse the eligible employees for the cost of their annual basic fees and expenses to maintain their State licensure as a Professional Civil Engineer.

The seven and a half percent (7.5%) incentive is defined as Special Compensation pursuant to the provisions of the California Public Employees Retirement System (CalPERS). As a result, the incentive is subject to the County's and the employee's retirement contribution rate each pay period and will be included as part of final compensation for retirement purposes.

G. CA Department of Food and Agriculture Certification Differential

Repayment must be made within sixty (60) days of the Employee’s transfer or resignation/termination of employment.

L. Overpayment/Underpayment

The County Auditor-Controller shall be authorized to apply, in full, any necessary salary adjustment resulting from overpayment or underpayment to the next succeeding pay period, without regard to cause of such underpayment or overpayment.

ARTICLE 4.3 – CLASSIFICATION STUDIES

2. The job specifications for Mid-Management Unit members who are employed in the affected classifications will be modified, at a minimum, to include the performance of duties authorized by the Madera County Board of Supervisors.
3. Penal Code section 831.5(k) does not assert that the duties of custodial officers are equivalent to the duties of deputy sheriffs and does not affect the ability of the County of Madera to negotiate pay that reflects the different duties of custodial officers and deputy sheriffs.
4. Any future need to meet and confer may be sought in writing, from either party.

B. Plan Benchmark

For the 2024 Plan Year (January 1, 2024, through December 31, 2024), Anthem HMO Select is the lowest premium rate CalPERS HMO health plan. Since the Anthem HMO Select Plan has limited coverage in the Fresno/Madera areas, and to limit the negative impact this will have on County Employees, the County will continue to utilize the United Healthcare Plan as the benchmark to fund and maintain a health benefit program at the contribution rate of ninety-five percent (95%) for single member coverage and an additional fifty percent (50%) of the difference for either two-party or dependent coverage for the 2024 Plan Year.

The incumbent is defined as a ‘classic’ member under the CalPERS retirement system and is therefore eligible to continue receiving the EPMC.

The EPMC shall only continue for the duration of the incumbent’s tenure in the above-referenced Deputy Director classification, and any future new hires into the classification, will not be eligible for an EPMC.

E. Military Credit

At the time of retirement from County employment, the County shall certify to CalPERS the amount of unused accrued sick leave hours that is available for the Employee to convert to service credit.

Unused accrued sick leave at the time retirement is to be converted to sick leave credit at the rate of 0.004 years of service credit for each day (eight (8) hours) of unused sick leave (i.e., two hundred fifty (250) (eight (8) hour) days, or two thousand (2,000) hours, of sick leave equals one (1) additional year of service credit). All partial credits will be calculated by proration using the formula determined by CalPERS.

D. Usage of Vacation When Over the Vacation Cap

Memorandum of Understanding - Mid-Management Unit

It is acknowledged that during the County's Furlough Program from January 2010 through June 2013, certain employee vacation leave balances exceeded the three hundred and sixty (360) hour vacation cap due to the temporary waiver granted during this timeframe. As a result, the three hundred and sixty (360) hour vacation cap was reinstated effective July 1, 2013.

Individual Employee vacation balances in effect as of June 30, 2013, became the new maximum cap and Employees shall not earn or accrue additional vacation hours until such time as their balances are at or below three hundred and sixty (360).

The County's long-standing practice of allowing employees who are at the three hundred and sixty (360) hour cap to earn vacation hours and utilize them in the next succeeding pay period shall be reinstated only where an employee's vacation balance decreases to or is at the three hundred and sixty (360) hour cap. This paragraph shall also apply to employees whose vacation balance exceeded three hundred and sixty (360) hours as of June 30, 2013.

E. Vacation Cash Out Program

The Internal Revenue Services (IRS) regulations and opinions related to constructive receipt of income require the County to report and withhold taxes on the value of vacation leave an employee earns and is *eligible* to cash out in a taxable year, even if that leave is not in fact cashed out. The basis for these rules is that income is constructively received when it is made available for a taxpayer to draw on at any time, as employees may do with leave accruals eligible for cash out. The County must follow these tax requirements.

The County has identified a way to ensure compliance with the IRS requirements and mitigate the potential tax consequences to employees while continuing to make the cash out benefit available. The IRS provides an exception to the doctrine of constructive receipt where a taxpayer makes an agreement to defer income before it is earned. The IRS has found that in such agreements in which an employee makes an irrevocable election in advance of the year in which they would be eligible to cash out leave accrued in that year may exempt the amount eligible to be cashed out from annual gross income.

1. Employees may be eligible to cash out up to eighty (80) hours of accrued vacation per calendar year.
2. Eligible Employees can cash out accrued vacation hours up to two (2) times per year. The established cash out pay periods are in March and November of each calendar year.
3. In order to cash out vacation hours under this section, Employees must complete an irrevocable election pre-designating the number of accrued vacation hours (up to eighty (80)) the Employee will cash out in the two (2) cash out pay periods in the following calendar year. Only hours accrued in the calendar year following the date of the election will be eligible for cash out.
4. Any vacation hours accrued in previous calendar years, and vacation hours accrued in the present calendar year which have not previously been designated for cash out pursuant to an election, shall remain in the Employee's vacation bank and are not eligible for cash out.
5. Eligible Employees may cash out any combination of hours, up to the pre-designated amount in the Employee's election, in March, November, or both, provided that the Employee has accrued that amount of hours in the calendar year in which the election is effective. Employees may not cash out less than ten (10) hours in the pay period in which they choose to cash out

Memorandum of Understanding - Mid-Management Unit

hours. For example, an Employee with an election of eighty (80) hours, can cash out ten (10) hours in March and seventy (70) hours in November.

6. Eligible Employees are defined as those Employees who have executed an irrevocable election for the current year and have a minimum of one hundred (100) hours of accrued vacation hours at the end of the pay period preceding the cash out pay period. For example, an eligible Employee must have one hundred (100) hours of accrued vacation as of the end of February to be eligible to cash out hours in March.
7. All cash out hours shall be paid at the Employee's hourly rate (which includes the base hourly rate, longevity and any special incentive/assignment pay) that was in effect during the pay period of the cash out.
8. Eligible Employees must submit their cash out election to the assigned departmental payroll representative by December 15th of the calendar year prior to the year in which the designated hours will be earned. Any Employee who does not file an election by December 15th of the present calendar year will not be eligible to cash out any vacation hours pursuant to this section in the following year.
9. Following submission of an Employee's election form, the assigned departmental payroll representative shall: 1) ensure that the interested Employee meets the minimum eligibility requirements as stated herein; and 2) submit the election form to the Department of Human Resources.
10. Employees eligible to receive a cash out pursuant to this section understand that the Auditor-Controller's Office is obligated to withhold any personal income taxes due pursuant to Federal and State Law, and that the cash out and all other reportable income will be reported and included on participating employees' annual W-2 forms. Employees also understand that they are solely responsible for any personal Federal and/or State income tax obligations associated with participation in the Cash Out Program. The County is not responsible for advising Employees about any State or Federal tax obligations, nor is the County responsible for paying any portion of an employee's tax obligation.
11. The cash outs are not defined as Special Compensation pursuant to the provisions of the California Public Employees Retirement System (CalPERS). As a result, cash outs are not subject to the County's or the eligible Employee's retirement contribution rate each pay period and will not be included as part of final compensation for retirement purposes.
12. All accrued vacation hours in Employee's vacation bank that are not cashed out pursuant to this section shall be available for leave usage and/or for pay put upon separation from employment.

ARTICLE 5.9 – MANAGEMENT LEAVE

Designated Employees within the Mid-Management Unit shall receive seven and a half (7 1/2) days (60 hours) annual paid management leave which may be taken, with approval of the department head, separate from or in conjunction with other established leave balances. Management leave shall be separate and distinct from accrued vacation and shall not be accumulated from one fiscal year to the next or paid out at termination.

For purposes of this section only, the fiscal year shall begin with the pay period that begins June 21st and ends June 20th of each calendar year.

Memorandum of Understanding - Mid-Management Unit

On September 12, 2024, the County implemented an FLSA designation change from overtime exempt to overtime eligible following a review of duties performed by some unit classifications. As a result of this re-designation, impacted employees filling the impacted classifications, are now entitled to receive overtime pay for any overtime hours worked during the applicable work period and shall no longer receive Management Leave (ML) per fiscal year, subject to the following:

The receipt of ML for the employees filling the impacted classifications shall be phased out over three (3) fiscal years and any requests for time off shall continue to be subject to established departmental processes. ML will be phased out as follows:

- 24/25 Fiscal Year – Impacted employees received sixty (60) ML hours on June 21, 2024, and can utilize those hours through June 20, 2025.
- 25/26 Fiscal Year – Impacted employees will receive forty-eight (48) ML hours on June 21, 2025, and will be able to utilize those hours through June 20, 2026.
- 26/27 Fiscal Year – Impacted employees will receive twenty-four (24) ML hours on June 21, 2026, and will be able to utilize those hours through June 20, 2027.
- 27/28 Fiscal Year – Phasing out is complete. Impacted employees will no longer receive ML.

1. Except in cases of emergency, Employees shall not be required to work overtime unless such overtime has been specifically authorized.
2. Employees required to work overtime shall be compensated by either cash or compensatory time at the Employee's option. The Employee's choice to be paid either by cash or compensatory time is made at the time the overtime is earned. The Employee may utilize accrued compensatory time by providing at least three (3) days written notice to the Employer.
3. Should it be necessary, due to fiscal/budgetary constraints, the Department Head may direct that an Employee utilize accrued compensatory time in lieu of accrued vacation for leave requests. The exception to the mandatory use of compensatory time off in lieu of vacation would be if the Employee is at or near the three hundred and sixty (360) hour vacation cap and unable to earn or accrue additional vacation hours.
4. Should an Employee move from an overtime eligible position into an overtime exempt position, any accumulated compensation time shall be paid out to the Employee at the Employee's rate of pay prior to the position change.
5. The Employee shall have a vested interest in being paid for any accumulated compensatory time upon termination of employment for any reason. An Employee shall be paid for accumulated compensatory time at time of termination at the average regular rate received by the Employee during the last three (3) years of employment, or the final regular rate received by the Employee, whichever is higher.
6. When, due to an emergency, an Employee is required to return to work on other than their regularly scheduled workday, the Employee shall be entitled to callback compensation. The County shall compensate the Employee a minimum of two (2) hours overtime compensation irrespective of the actual time worked when an Employee is called back to perform an

Memorandum of Understanding - Mid-Management Unit

emergency task. In the event the task exceeds two (2) hours duration, the total compensation shall be for the hours actually worked.

7. Overtime will be computed at the appropriate rate (straight time or time and one-half) for every hour of overtime worked. Payment for the overtime work shall be calculated based on the Employee's regular rate of pay in effect and included in the regular salary check for the pay period in which it was worked.

ARTICLE 6.4 – STANDBY COMPENSATION

The three (3) hour overtime requirement shall be waived in cases of emergency call out. Reimbursement of out-of-pocket expenses for meals shall be limited up to the U.S. General Services Administration's Meals & Incidentals rates of seventeen dollars (\$17.00) for breakfast, eighteen dollars (\$18.00) for lunch and thirty-one dollars (\$31.00) for dinner per Employee. 2. That part of the information which is relevant in a lawsuit, arbitration, grievance, or other claim or challenge to which the County and Employee are parties and in which the Employee has placed in issue their medical history, mental or physical condition, or treatment may be used or disclosed in connection with that proceeding.

Memorandum of Understanding - Mid-Management Unit

3. The information may be used only for the purpose of administering and maintaining Employee benefit plans, including health care plans and plans providing short-term and long-term disability income, workers' compensation and determining eligibility for paid and unpaid leave from work for medical reasons.

ARTICLE 6.9 – MERIT SYSTEM/CIVIL SERVICE COMMISSION

A. Local Agency Personnel Standards

In the event any provision herein, as it may apply to any Employee of the County subject to Section 19800 et seq. of the California Government Code, is determined by the Executive Officer of the State Personnel Board to be in conflict with Local Agency Personnel Standards (Title 2. CHAPTER 7: PROCEDURES

ARTICLE 7.1 – GRIEVANCE PROCEDURES

A. Grievance Definition

A grievance is a complaint or claim by an Employee, a group of Employees or the MMAMC of a violation of this Agreement, terms, or conditions of employment, or established rules, past practices.

B. Adjustment Procedure

Any Employee having any grievance shall proceed as follows:

A written grievance must be filed within ten (10) working days from the time the Employee becomes aware or should have become aware of the issue or incident giving rise to the problem.

1. The Employee shall first seek an adjustment of the grievance by the immediate supervisor unless the supervisor is a party to the grievance. Upon receipt of the written grievance, the immediate supervisor shall give the Employee a written reply within ten (10) working days.
2. If the immediate supervisor's response is not satisfactory to the Employee, the Employee may, within five (5) working days, file an appeal to the Department Head. The Department Head shall give the Employee a written response within ten (10) working days.
3. The County and the MMAMC may mutually agree to waive steps 1 and 2 and proceed directly to use of the Grievance Advisory Committee (Committee) when an issue is not within Departmental jurisdiction.
4. If the Department Head's response is not satisfactory to the Employee, the Employee may, within five (5) working days, file an appeal to the Director of Human Resources requesting a hearing before the Committee.

Should the Commission not accept the findings or recommendations of the Grievance Advisory Committee, a hearing date may be set to review the case. The decision of the Commission shall be final.

C. Timeline Limits

All time limits herein stated above may be extended by mutual agreement of the parties involved.

ARTICLE 7.2 – IMPASSE PROCEDURES

A. Definition of Impasse

Memorandum of Understanding - Mid-Management Unit

"Impasse" means that the Representatives of the County and the MMAMC have reached a point in their meeting and conferring in good faith where their differences on matters to be included in the MOU and concerning which they are required to meet and confer, remain so substantial that further meeting and conferring would be futile.

B. Initiation of Impasse Procedures

If the meet and confer process has reached impasse, either party may initiate the impasse procedures by filing with the other party a written request for an impasse meeting together with a statement of its position on all disputed issues. An impasse meeting shall then be scheduled promptly by the County. The purpose of such an impasse meeting shall be:

1. To identify and specify in writing the issues that remain in dispute;
2. To review the positions of the parties in a final effort to resolve such disputed issue or issues; and
3. If the dispute is not resolved, to discuss arrangements for the utilization of the impasse procedures provided.

C. Mediation

If either party desires to submit the dispute to mediation, the dispute shall be submitted to the State Mediation and Conciliation Service. All mediation proceedings shall be private. The mediator shall make no public recommendation, nor take any public position at any time concerning the issues.

D. Fact-Finding

If the parties are unable to resolve the impasse within thirty (30) days after the appointment of a mediator, the MMAMC may request that the parties' differences be submitted to a fact-finding panel in accordance with Government Code Sections 3505.4 and 3505.5.

ARTICLE 7.3 – REDUCTION IN FORCE

A. Layoffs

Layoffs shall be within each department.

B. Layoffs within Designated Class Only

Layoffs shall be within the designated class only. A person designated to be laid off shall not have the right to a position occupied by an Employee in a lower class unless such Employee is in the same department and is in a provisional or temporary (extra help) status.

C. Provisionals First

Provisionals shall be laid off first.

D. Layoff Based on Total Actual Time Worked

Layoff of probationary or permanent Employees shall be on the basis of total actual time worked, excluding leave without pay, in the class for the County, not counting time worked in a temporary or provisional status with those with least service being laid off first.

E. Breaking Ties

When two (2) or more Employees have the same total full-time equivalent work in the class for the

Memorandum of Understanding - Mid-Management Unit

County, the tie shall be broken, and preference given in the following order:

1. Employee with the greatest seniority in the class, or the higher class in the department.
2. Employee with the greatest seniority in the class County-wide.
3. Employee with the greatest seniority within the department.
4. Employee with the greatest seniority County-wide.

F. Initial Notification of Tentative Plans for Staff Reduction

Employees, subject to layoff, will be given written notification by the Department of Human Resources of the tentative plans for a staff reduction, and the effective date of such action. Generally, the notification will be given to the Employees at least 30 days in advance of the lay-off. A copy of the notification will be submitted concurrently to the MMAMC.

G. Final Notification of Staff Reduction and Placement on Reinstatement List

Should the Board of Supervisors determine a reduction in staff is necessary, the Employees determined to be subject to the layoff will be notified in writing as far in advance of the effective date of the action as possible. The Employees will also be informed as to their placement on the reinstatement eligible list. A copy of the notification will be submitted concurrently to the MMAMC.

H. Voluntary Layoff

Voluntary layoff may be granted to an Employee in a class for a position that will be laid off even though the Employee would have sufficient seniority to not be laid off. The purpose of this provision is to permit the substitution of a senior Employee for layoff for that of a less senior Employee on a voluntary basis.

I. Health Insurance Coverage at Time of Layoff

Health insurance coverage and benefit provisions shall remain in full force as provided by the contractual provisions of the health plan in effect while the employee remains on the eligibility list as outlined elsewhere in this MOU. The Employee will be required to pay the monthly premium of the plan.

J. Layoff Severance

1. Accrued Vacation Leave:
Vacation pay accrued shall be distributed immediately to the Employee upon termination by involuntary layoff. The laid off Employee may elect to maintain their vacation balance during the two (2) year reinstatement period following the date of layoff. If, at the end of the two (2) year reinstatement period, reinstatement has not been offered, payment for the vacation balance will be calculated at the hourly rate of pay at the time of layoff.
2. Accrued Sick Leave:
Sick leave pay accrued shall be distributed immediately to the Employee upon termination. An Employee involuntarily laid off may elect to maintain their sick leave balance during the two (2) year reinstatement period following the date of layoff. If at the end of the two (2) year reinstatement period, reinstatement has not been offered, payment for the unused sick leave eligible for payment will be calculated at the hourly rate of pay at time of layoff.

K. Use of Management Leave

Memorandum of Understanding - Mid-Management Unit

Upon notification of layoff, the affected Employees will be given an opportunity to use any unused management leave prior to effective date of layoff.

L. Demotion in Lieu of or After Layoff

Employees electing demotion in lieu of or after layoff will be subject to the following:

1. An Employee designated to be laid off may elect to be demoted to a lower class in the same series of classes provided that such demotion shall not result in the layoff or demotion of any Employee in the lower class.
2. An Employee who has been laid off may be placed on a reinstatement eligible list for a lower class in the same series of classes at their request. Their name shall be placed on such list after names of Employees laid off from positions in that class.
3. Demotions and appointments resulting from (1) and (2) above shall in no way affect the Employee's position on a reinstatement eligible list for the class from which they were laid off.

M. Salary Range Placement as a Result of Transfer, Downward Classification or Voluntary Demotion

Employees appointed to a position of the same salary range or to a position of a lower range than previously occupied as a result of a transfer, downward classification, or voluntary demotion, shall be paid at the step providing the closest salary as before, except that the salary shall not be higher than the amount previously received or "H" step in the new range. The anniversary date shall remain unchanged.

N. Reinstatement After Layoff

Employees laid off will be subject to the following:

1. Employees laid off in accordance with the MOU shall be placed on a reinstatement eligible list for the class with the Employee last to be laid off first on such list and continuing in inverse order of layoff. Names shall remain on the reinstatement eligible list for two (2) years.
2. Appointment from reinstatement eligible lists shall be for a probationary period of twelve (12) months except that an Employee appointed from such reinstatement list to a position in a class in a department from which they were laid off under the provisions of Rule 7.2 of the Civil Service Rules shall not be subject to a probation period and such Employee shall have the same status they held at the time of their layoff.
3. Such Employees shall have an absolute right only to reappointment to vacant positions in the same class and in the same department from which they were laid off. In all other instances, they shall be certified from the reinstatement list in accordance with the Civil Services Rules and shall be subject to a new probationary period.
4. If an Employee whose name is on the reinstatement eligible list has been involuntarily laid off from a position in the class and in the department for which certification is requested their name alone shall be certified.

ARTICLE 7.4 – DISCIPLINARY ACTION

A. Representation of Employees

The Employer recognizes that employees in the Mid-Management Unit may be represented by the MMAMC in their Employer-Employee relationship with the County.

Memorandum of Understanding - Mid-Management Unit

B. Investigations

Any Employee whose presence is requested by Management to investigate, discuss, or review an action of the Employee likely to lead to discipline, has a right to be represented by an Officer, Director, or designated representative of the MMAMC.

C. Discussion of Evaluation and Work Performance

The Employer may call in an employee to discuss evaluation and work performance. However, the Employee reserves the right to be accompanied by a representative if specific disciplinary action is discussed. An Employee may inquire prior to attending any meeting as to the nature of the meeting.

D. Responsible Representative

The presence of a responsible representative of the Employee's own choosing shall satisfy the requirements of this section.

ARTICLE 7.5 – CIVIL SERVICE CHANGES

A. Termination for Cause

The parties agree that permanent Employees who are terminated for cause (misconduct), and whose termination is sustained following exhaustion of all appeal rights, shall not be eligible for reemployment with the County. In the unlikely event such a terminated Employee becomes reemployed with the County, said Employee shall again be terminated and shall only be entitled to payment for any services rendered to the County.

The parties further agree that when administering this article, Local Agency Personnel Standards (LAPS) shall apply and where applicable, in limited circumstances (e.g., Employees right to reapply to a LAPS agency), shall supersede the aforementioned "no reemployment" provision.

This provision does not apply to probationary Employees. All County rules and applicable MOU provisions governing probationary Employees shall not be affected by this section.

This provision shall not be applied retroactively. It shall only apply to terminations (as defined above) that are served and effectuated by the Department Head/Appointing Authority after the effective date of this MOU.

ARTICLE 7.6 – COMPLIANCE WITH MEMORANDUM OF UNDERSTANDING

A. Violation of Agreement Terms

In the event of any violation of the terms of this MOU, responsible and authorized representatives of the MMAMC or the Employer, or any individual Department Head, as the case may be, shall promptly take such affirmative action as is within their power to correct and terminate such violation for the purpose of bringing such unauthorized persons in compliance with the terms of this MOU.

Individuals acting or conducting themselves in violation of the terms of this MOU shall be subject to discipline, up to and including discharge. The Employer shall enforce the terms of this MOU on the part of its supervisory personnel; the MMAMC shall enforce the terms of this MOU on the part of its members.

Memorandum of Understanding - Mid-Management Unit

B. Interpretation of Agreement

A dispute or difference of opinion concerning the enforcement of this MOU by the Employer or the MMAMC, shall first be presented in writing to the other party in an attempt to settle the matter.
